

### **NOTICE OF ALLOWANCE**

1. Applicant's amendment filed 7/8/2011 after-final is acknowledged. Claims 1-5, 7, 11-17 and 19 are pending. Claims 11-17 and 19 are withdrawn from consideration as being drawn to a non-elected invention. All of the arguments have been thoroughly reviewed and considered. Applicant's arguments necessitated withdrawal of the previous Office action. Accordingly, the claims are deemed in condition for allowance. An examiner's amendment and reasons for allowance appears below.

#### **Examiner's Amendment**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Schmidt, II on July 25, 2011.

The application has been amended as follows:

- (a) The claims 11-17 and 19 were canceled.

#### **Reasons for allowance**

3. The following is an examiner's statement of reasons for allowance: Applicant's arguments especially at pages 1-2 were found sufficient to overcome the rejections of the previous office action. Applicant's arguments provided sufficient evidence of

inoperability of the cited prior art, especially Brennan et al. Therefore, the claims 1-5 and 7 are deemed novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
